To whom it may concern:

I am pleased to recommend Riley Hammond, who recently completed an internship with our team at Marcom Content by Ashley, LLC (MCA). Throughout her time, Riley consistently impressed us with her enthusiasm, creativity, professionalism and willingness to learn.

During her internship, Riley gained valuable hands-on experience in a variety of areas of digital marketing, including graphic design, content writing and digital communications. She approached every project with curiosity, a positive attitude and a genuine desire to improve her skills. Whether she was developing creative content, working on design projects or learning new digital tools, Riley was eager to jump in and contribute.

What stood out most about Riley was her ability to take on new challenges, absorb feedback and apply what she learned. She demonstrated a strong work ethic, attention to detail and a willingness to step outside her comfort zone. Her creativity and adaptability made her a wonderful addition to our team.

Beyond her technical skills, Riley was a pleasure for everyone on the team. She brought a positive attitude and approached her responsibilities with maturity. Her ability to be open to feedback will serve her well in whatever she pursues next.

I am confident Riley has a bright future ahead of her. She has built a strong foundation in digital marketing and creative communications, and I have no doubt she will continue to develop her talents and make meaningful contributions wherever she goes.

I wholeheartedly recommend Riley and look forward to seeing all she accomplishes.

Sincerely,

Ashley Jones
